Continuing Education Information

CAPC Designation

CAPC Designation status is available in Pain Management, Communication Skills, Symptom Management, and Dementia Care. You must complete all courses in a unit to qualify. Upon completion, you will be issued the CAPC Designation Certificate.

Continuing Education Designation

Physicians: CAPC courses are accredited by the ACCME through either the Medical Society of the State of New York or the Icahn School of Medicine at Mount Sinai. Accreditation and Disclaimer statements for each course may be found on the course page. CAPC courses are accredited with *AMA PRA Category 1 Credit(s)™* as specified. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CAPC is pleased to offer ABIM Maintenance of Certification (MOC) points for certain online courses as indicated. Additional information, such as a physician's ABIM number, date of birth, and a completed survey, are required in order to receive MOC points.

Physician Assistants: CAPC courses are accredited by the ACCME through either the Medical Society of the State of New York or the Icahn School of Medicine at Mount Sinai. The American Academy of Physician Assistants (AAPA) accepts credit from organizations accredited by the ACCME. Accreditation and Disclaimer statements for each course may be found on the course page. CAPC courses are accredited with *AMA PRA Category 1 Credit(s)™* as specified, which can be applied to the continuing education of Physician Assistants. Physician Assistants should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: The continuing nursing education activities are approved by Connecticut Nurses' Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

CAPC is pleased to offer Pharmacotherapeutic credit hours for Advanced Practice Registered Nurse (APRN) per American Nurses Credentialing Center's Commission on Accreditation (ANCC) and American Association of Nurse Practitioners (AANP) for certain online courses as indicated. Pharmacotherapeutic credit hours are listed on the course page and on the certificates for the designated courses that are eligible.

New York State Social Workers: This program is approved by the New York State Education Department's State Board for Social Work to provide continuing education to LMSWs and LCSWs in New York State, effective beginning on September 21, 2016, and recently renewed on June 31, 2025 through June 31, 2027.

Case Managers: This program is approved by The Commission for Case Manager Certification to provide continuing education credit to CCM® board certified case managers.

Verification of Attendance: If either the user or the course is ineligible for continuing education, a Verification of Attendance certificate will be provided upon completion of the course.
